

Information Regarding Senior Cycle Programme

The school community is planning the schedule of information and support presentations around the transition into Senior Cycle at Scoil Dara.

Students currently in 3rd year and TY are encouraged to consider the programmes available in the school curriculum and to reflect upon the pathway into senior cycle that will best support their academic ambitions and personal and interpersonal growth.

In support of this decision-making process the first of our information presentations takes place on Thursday 27th January at 5:30pm. Hosted through MS Teams parents and students are invited to attend the presentation which will address the programme options at Senior Cycle: the Transition Year Programme, the Established Leaving Cert Programme and the Leaving Certificate Applied. A link to the meeting will be available here on the school website from early afternoon. Expression of Preference forms have been circulated among TY and 3rd year students and completed forms (inclusive of a parent/guardian signature) should be returned on or before Thursday, February 3rd.
